Subject: Picante look ahead schedule

Nice talking to you guys yesterday. It looks like it was a very productive meeting and it helped us understand some additional details.

Just to capture the sone of the meeting discussion/path to completion see below and please add anything that I have not mentioned.

Kitchen - early start, starting Wednesday January 12th. - January 18th (3am - 7am)

Also, we forgot to look in the sink/storage room between the bathroom hall ways and kitchen where the ceiling is currently falling. Need to know how to remove or cut it out. Hector and Martin can discuss this prior to the 12th?

Dee's Apartment - Wednesday January 19th - Friday January 21st (9am-3pm)
(Tentatively Jim talking/confirming with him)

Jim's apartment - Monday January 24th - Saturday January 29th
(we plan to start work sooner depending on the progress on the two areas motioned above)

We will follow with the installation of the sprinkler risers under the stairs and plan on having pressure on the entire system and ready for inspection the week of January 31st.

Thank you!
